Dear Mr. Hinson:

Please accept this letter as the official position of Prince George County, Virginia, supporting the Gateway Project at Exit D1 (I-95, Exit 45), in Prince George County. Staff has reviewed the proposals, exhibits, and renderings of the project and is in agreement with the Limited Access Right Of Way modification request. This adjustment will allow our team to move forward with the enhancement project that will help beautify our portion of the Commonwealth's highway network.

Prince George County fully supports the redevelopment of Exit 45 with the partnership of the Cameron Foundation for this Gateway Project. The altering of the existing right-of-way line makes this project possible. We look forward to bringing this advancement to fruition.

On behalf of Prince George County Government, thank you for your time and your support of this project.

Sincerely,

A handwritten signature in blue ink, appearing to be "P. Ashcraft", is written over the typed name and title.
